

Walden Farms®

Calorie Free Specialties

Dear Store Manager or Buyer,

I would sincerely appreciate if you would consider carrying Walden Farms products in your store.

Walden Farms makes a variety of great products that are gluten free, sugar free, carb free and calorie free, so everyone can enjoy their salad dressings, jams, spreads, dips and syrups.

They use only healthy ingredients that are kosher certified and dairy free. Their products are recommended by hundreds of doctors, dietitians and regular consumers like me, wanting a better choice.

Their products are not only safe and nutritious, but also delicious!

Walden Farms products would appeal to many of your customers and address their health concerns. This would be a great brand to carry in your store.

To request wholesale product samples and information from the Canadian importer, you can email info@altrafoods.com or call Altra Foods Inc. (877) 276-1981

I want to remain your loyal customer and hope you will look into accommodating my request.

Thanks for your consideration!
